HUMANITARIAN

THANK YOU

We're pleased to celebrate International Medical Corps and their team of first responders, staff and volunteers for leading the charge to relieve suffering in over 50 countries.

We're humbled by the dedication of the Emergency Response Teams who bravely serve on the front lines of dangerous, hard-to-reach corners of the world. From being the first ones to arrive in Indonesia following a series of devastating earthquakes and a tsunami to developing training to prevent future Ebola outbreaks in West Africa, International Medical Corps' staff and volunteers put their lives on the line every day in the toughest environments.

Thank you for continuing to inspire us and for fighting the good fight of saving lives, restoring health and providing training programs in critical locations at critical moments.
